Seated Back-Supported DB Shoulder Press

3 × 8 **SHOULDERS, TRICEPS**

Sit with your back supported, dumbbells at shoulder height. Press straight overhead until your arms are extended, then lower back to shoulder height under control.

[Watch tutorial on YouTube ↗](#)

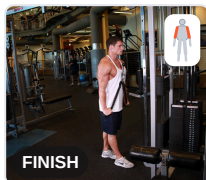

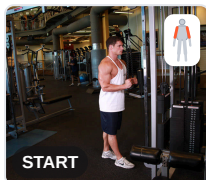

Standing DB Lateral Raise

3 × 8-10 **SIDE DELTS**

Stand tall with a slight bend in your elbows. Raise the dumbbells out to your sides until they reach shoulder height, leading with your elbows, then lower slowly.

[Watch tutorial on YouTube ↗](#)

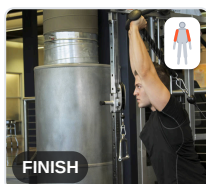

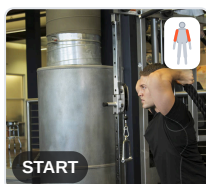

Rope Tricep Pushdown

3 × 8 **TRICEPS**

Keep your elbows tucked at your sides. Push the rope down until your arms are fully extended, splitting the rope apart at the bottom, then control it back up.

[Watch tutorial on YouTube ↗](#)

Overhead Rope Tricep Extension

3 × 8 **TRICEPS**

With the rope behind your head, extend your arms overhead until straight, keeping your elbows close to your ears, then lower back behind your head.

[Watch tutorial on YouTube ↗](#)

Seated Calf Raise

3 × 25 **CALVES**

With the pad resting on your knees, lower your heels as far as comfortable, then press up onto your toes and squeeze at the top.

[Watch tutorial on YouTube ↗](#)

Bent Over Neutral-Grip DB Row

3 × 8 **LATS, UPPER BACK**

Hinge forward at the hips with a flat back. Pull the dumbbells up toward your hips, driving your elbows back, then lower with control.

[Watch tutorial on YouTube ↗](#)

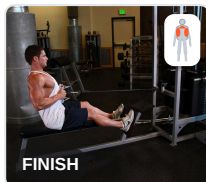

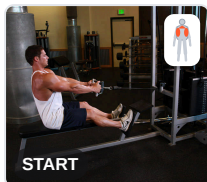

Seated Mid-Grip Lat Pulldown

3 × 8 **LATS**

Pull the bar down to your upper chest, driving your elbows down and back. Control the weight back up until your arms are fully extended.

[Watch tutorial on YouTube ↗](#)

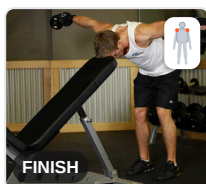

Seated Cable Row

3 × 8 **LATS, MID BACK**

Sit tall with a slight forward lean at the bottom. Pull the handle to your torso, squeezing your shoulder blades together, then extend back with control.

[Watch tutorial on YouTube ↗](#)

Bent Over DB Rear Delt Fly

3 × 8 **REAR DELTS**

Hinge forward with a flat back and a soft bend in your knees. Raise the dumbbells out to the sides until level with your shoulders, then lower slowly.

[Watch tutorial on YouTube ↗](#)

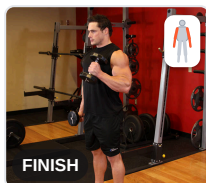

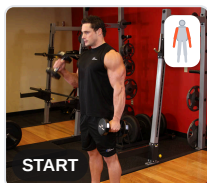

Alternating DB Bicep Curls

3 × 8 **BICEPS**

Keep your elbows pinned to your sides. Curl one dumbbell up toward your shoulder, rotating your palm up, then lower and repeat on the other side.

[Watch tutorial on YouTube ↗](#)

Alternating DB Hammer Curls

3 × 8 **BICEPS, FOREARMS**

Keep your elbows pinned to your sides and palms facing each other throughout. Curl one dumbbell up toward your shoulder, then lower and alternate.

[Watch tutorial on YouTube ↗](#)

Standing DB Shrug

3 × 8 **TRAPS**

Hold the dumbbells at your sides. Shrug your shoulders straight up toward your ears, pause briefly, then lower with control — avoid rolling your shoulders.

[Watch tutorial on YouTube ↗](#)

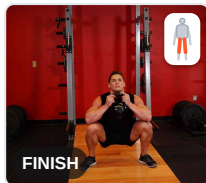

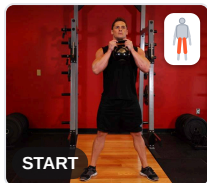

Narrow Stance Leg Press

3 × 8 **QUADS**

Feet close together on the platform. Lower until your knees reach about 90°, then press through your heels back to the start without locking your knees out.

[Watch tutorial on YouTube ↗](#)

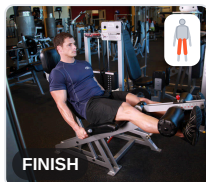

Goblet Squat

3 × 8 **QUADS, GLUTES**

Hold a dumbbell vertically at your chest. Squat down until your thighs are at least parallel to the floor, keeping your chest up, then drive back up through your heels.

[Watch tutorial on YouTube ↗](#)

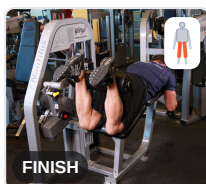

Leg Extension (Plantar Flexed)

3 × 8 **QUADS**

Point your toes (plantar flex) and extend your legs until straight, squeezing your quads at the top, then lower back down under control.

[Watch tutorial on YouTube ↗](#)
